Patents **1 - 15** on **down conversion anal**

Sort by relevance | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Digitally programmable multifunction radio system architecture

US Pat. 6072994 - Filed Aug 31, 1995 - Northrop Grumman Corporation

All the high-speed processing (such as D/A **conversion** by and, **down conversion** by 610, ... The **digital** and **analog** submodules of the receiver 106 (and the ...

Cable modem tuner with an up-stream and a reception **circuit** in the same casing

US Pat. 6131023 - Filed Oct 21, 1998 - Sharp Kabushiki Kaisha

When the received signal is an **analog** signal, an intermediate frequency signal of ... The signal **conversion** unit includes a **down** converter that converts an ...

Isolator and a modem device using the isolator

US Pat. 6603607 - Filed Feb 26, 1999 - Hitachi, Ltd.

Therefore, the **analog** I/O side **circuit** and **digital** I/O side **circuit** are separated by the ... a noise **shield** due to mutual **interference** can be formed.

...

Satellite channel interface in indoor unit used for satellite data ...

US Pat. 5671220 - Filed Jun 30, 1995 - NEC Corporation

The portion of the printed **circuit** board 13 that is at the **analog** section ... there is no **interference** between the **analog** section 14 and the **digital** section

...

ANALOG DATA ACQUISITION SYSTEM

US Pat. 3806916 - Filed Oct 6, 1972

11 12 comprises a plurality of AND gates 46-1 to 46-12 within the **analog** data ... 6G fires the monostable **circuit** 72 pro- normal operation, the **shield** ...

System and method for harmonic **interference** avoidance in carrier recovery ...

US Pat. 6148039 - Filed Jan 30, 1998 - Scientific-Atlanta, Inc.

One of the carrier recovery techniques in **digital** demodulation ... solves the problems of **interference** by various harmonics by locking onto a **down** converted

...

Real time multitask electronic stethoscopy system

US Pat. 4770189 - Filed Sep 2, 1986 - Industrial Technology Research Institute

The amplifiers are connected with **shield** wires of low impedance and via the interior of the tube (15) to An **analog/digital** converter (28) then converts

...

Up/Down tuner

US Pat. 6522872 - Filed Oct 28, 1998 - Sharp Kabushiki Kaisha

In the **down**-converter mixing **circuit** D-MIX, the IF signal and the second local

down conversion analog digital interference b
